### DETAILED ACTION

1. This action is in response to the Board's [Board of patent Appeals and Interferences] decision mailed 4/20/2009.

### *Drawings*

2. Drawings filed 1/27/2000 are accepted.
3. Claims 1, 3, 8, 14-16, 23, 25, 30, 36-38, 67-68 are allowed. Claims 1 and 23 are independent claims and the rest are their dependencies.

### REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

With regards to claims 1 and 23, the cited prior art of record, alone or combined, fails to anticipate or render obvious, inter alia, as a whole, the uniquely patentable feature of **"verifying the order identifier based upon particular information related to the order, including: (1) determining if the order identifier is valid for the order, meaning the order identifier exists for the order, (2) determining if the order identifier is active, meaning the order was not canceled before the download of the file, and (3) determining if the order identifier is non- suppressed, meaning the order was not canceled after the download of the file ."**, in an electronic commerce server system having a server and an end user machine interacting through a network for secure downloading of a file from the network.

All the dependent claims are allowable for the same reasons as set forth above.

5 Discussion of best prior art: The best cited prior art of Downs (US Patent 6,226,618) and Rogers (US Patent 5,652,786), alone or combined, fails to anticipate or render obvious, inter alia, as a whole, the uniquely patentable feature indicated above (see Board's decision mailed 4/20/2009, pages 9-11).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yogesh C. Garg whose telephone number is 571-272-6756. The examiner can normally be reached on Increased Flex/Hoteling.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey A. Smith can be reached on 571-272-6763. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
